HEAD TURNER!! Debating on building or buying?? Come see the gorgeous custom built home with all the bells and whistles on 1.51 of an acre with pasture and .95 of a water share! Great box gardens, flower gardens, fruit trees, berries and more!! Enjoy summer evenings shooting hoops on the basketball court or playing horseshoes in the pits.

INSIDE- you will find a beautiful large custom finished kitchen with granite counter tops- open to dining and living room area. Enjoy the gorgeous fireplace. The layout is perfect with all rooms off the heart of the home, the living room! Over 3500 SQ ft (buyer to verify) Home has a main floor office, 4 bedrooms 3 full bathrooms with 2 additional large room that could be finished into bedrooms downstairs. Great family/game room downstairs as well. PLUS dont miss the amazing storage this home has!! HUGE food storage room and more! Enjoy the large over-sized 3 car garage with extra high ceilings and a separate shed. Gas/central forced air. SO MUCH MORE!!! Do not miss out on this stunning home!!
